The above materials are classified(on the weight ticket)as Recycle Out and do not carry Georgia's \$00.50 per ton surcharge nor is the tonnage counted in determining potential responsible parties share any clean up. Our tip fee for disposal is \$32.50 per ton and is classified(on the weight ticket)as Waste In.

If you have a by-product that you believe could be processed for recovery or reuse contact Don Bartles, Landfill Manager, to discuss what options are available.
